

“ That’s why
I became a nurse!”

RN Workers’ Comp Case Manager

Would a more supportive, less administrative, patient-focused work environment - where doing the right thing is the top priority - improve your job satisfaction?

Come grow with us! Our continued growth demonstrates that our style and quality of nurse case management is just what clients are looking for. Key to that is **our unmatched team of dedicated nurses who we support and empower to do what they do best**, spending more time helping and caring for injured workers, and less time on burdensome paperwork and processes.

We have several **openings for full-time experienced California Workers’ Compensation Registered Nurses.** Our open positions are field-based (require local travel to MD offices) from the candidate’s home office. If you have 2+ years of CA Workers’ Compensation Case Management experience and currently reside in California, this job opportunity may be for you!

If you’re an experienced RN Workers’ Compensation Case Manager who is feeling overworked and underappreciated, and want to get back to doing what you love about nursing, we would love the opportunity to share the experience of being a CHOICES nurse with you. **To start the conversation, send your resume today to jobs@choicescm.com.**

Benefited position with competitive pay & bonus program + work from your home office!

Visit the CAREERS page on our website for current openings and CA locations.

ABOUT US

We are a company founded, owned and managed by nurses who provide a working environment that helps you practice high caliber professional medical case management.

We take job satisfaction and work-life balance seriously!

We offer the stability of an established, long running practice, while maintaining our “boutique” small company philosophy in a supportive family like environment. We believe in taking care of our team first so they can take care of each other and the clients we serve. With that in mind, we invest and offer big company benefits not often seen in a small business. **It’s a great place to work (and retire from)!**
